## Kealing Middle School

*Collaboration to reach youth*

Master Builder has partnered with Huston-Tillotson University, The Austin Area Urban League and Austin independent School Districts Kealing Middle School to serve over 50 youth this Fall. Mentors from Huston-Tillotson University's My Brothers'/Sisters' keeper program worked with middle school youth on Mondays, Wednesdays and Fridays. They also had lunch with the students on Tuesdays and Thursdays. Mondays were Master Builder's Math, Science and Character Program and Austin Urban leagues life Skills. Wednesdays and Fridays consisted of the homework time and then the girls having step practice and the boys playing tennis, football and basketball.

## Master Builder at Galindo

In addition to receiving mathematic, science, character, teambuilding, career exploration and fun; the Master Builder Youth also received T-shirts, certificates, and tennis shoes donated by Run Tex.
